SUMMARY

As a fourth-year Information Technology student, I am deeply committed to honing my skills in coding, problem solving, and innovative thinking. My academic journey is marked by a hands-on approach to learning, where I explore diverse programming languages, participate in collaborative projects, and develop solutions that address real-world challenges. With a strong focus on critical thinking and effective communication, I am eager to grow as a professional, contribute to the IT field, and leverage my passion for technology to drive meaningful change.

EXPERIENCE

Full-Stack Web Developer Intern
ITX Digital Services PVT LTD

Jan 2026 – July 2026

- Developed a cross-platform Point of Sale (POS) system as an individual project to manage sales operations efficiently. Designed and implemented a desktop-based POS application using Java Swing/JavaFX. Integrated MySQL database for secure and persistent data storage.
 - Worked as a full-stack developer in a team-based web application project for a Digital City Center platform. Developed both frontend and backend modules using React and server-side technologies. Managed PostgreSQL database design, schema creation, and query optimization.
 - Created implementation plans, workload distribution, and task scheduling within the team. Prepared project documentation and final technical reports.
-

UNIVERSITY PROJECTS

Online Food Order System

July 2024 – Nov 2024

- REACTJS | NODEJS | EXPRESSJS | MONGODB
- <https://github.com/Kavini-Nimeka/Food-Ordering-System.git>
- Developed a robust Online Food Order System utilizing the MERN stack. It facilitates a seamless focus on usability, performance and efficient platform for users to browse menus, customize orders, get special discounts and track their food delivery in real time

Home-Stock Web Application

Feb 2025 – May 2025

- REACTJS | NODEJS | EXPRESSJS | MONGODB
- https://github.com/Ruvindi-Randeniya/HomeStock_MS.git
- Developed a robust Home-Stock Web Application utilizing the MERN stack. It offers an efficient and user-friendly platform for managing household inventory, preventing stockouts, minimizing waste, and optimizing budgeting through AI-powered stock predictions and real-time tracking

Wedding Planning System

Feb 2026 – May 2026

- JAVA | JSP | SERVLET | TAILWIND CSS | MYSQL
- <https://github.com/Kavini-Nimeka/Wedding-Planning-System.git>
- Developed a java application for wedding planning and vendor booking using JSP, Servlets and MYSQL. Implemented CRUD operations for users, vendors, bookings, and payments with role-based access control.

PERSONAL PROJECTS

Perfume Shopping Website

January 2026

- REACT | CSS | TYPESCRIPT
 - <https://github.com/Kavini-Nimeka/-Shopping-Cart-Website.git>
 - Built and interactive Perfume Shopping Website, enabling users to explore perfume collections, add products to a cart, and view total pricing dynamically. The project focuses on clean component architecture, reusable hooks, and effective state management.
-

EDUCATION

- BSc (Hons) in Information Technology Sep 2022 - Present
Sri Lanka Institute of Information Technology
 - Specialization in Information Technology
 - Diploma in English Language and Literature Sep 2022 – Dec 2023
Aquinas Collage of Higher Studies - Level-III
 - Sri Rahula Balika Maha Vidyalaya – Malabe Jan 2013 – Dec 2021
 - Diploma in English Language- ESoft Metro Collage Jan 2019 – April 2019
 - Mahamathya Vidyalaya-Athurugiriya Jan 2008 – Jan 2013
-

TECHNICAL SKILLS

- Programming Languages: C, C++, Java, Kotlin, JavaScript, PHP, SQL, Python, TypeScript
 - Mobile Development: React Native, Android Studio
 - Web Technologies: Frontend- Bootstrap, CSS, ReactJS, HTML
 - Backend- NodeJs, ExpressJS, MongoDB, PostgreSQL, MySQL
 - Design Tools: Figma, Adobe Photoshop
 - Testing Tools: Postman, Thunder Client
 - Version Control: Git, GitHub
 - Certifications: o Problem Solving(Basic)-HackerRank o Java(Basic)-HackerRank o Python for Beginners-UOM o Web Design for Beginners-UOM
-

SOFT SKILLS

- Problem Solving
 - Adaptability
 - Time Management
 - Project Management
 - Critical Thinking
 - Team Work
 - Effective Communication
